

This license grants the right of use of all “brand marks” (except the 360 Narrative Group logo) contained in this archive (called the “Brand Identity Kit”) to Mike Wien (Specific Edge) for whom they were solely made for.

Dan reserves the right to refuse or allow the use of said marks. “Use” means using the marks AS THEY ARE in digital or print form. For example, showing the Specific Edge original logo on a projected screen on the back of the stage during one of Mike’s speaking events would be considered using the logo. Please contact Mike Wien for permission to use any of his licensed marks.

This license does NOT allow modification of the marks, and is therefore considered a limited license. “Modification” means making changes to the original marks included in the original archive. We at 360 Narrative Group love showing off our past work, which we consider to be art. However, if our clients alter our original work, we will no longer want to show it off, as it will probably no longer meet our very-high design quality standards. So, in the event that modification to one or more of the marks is desired, please contact 360 Narrative Group at 1-877-527-9613.

Thank you!
